## SAP CELEBRATES PARTNER SUCCESS WITH PARTNEREDGE AWARDS

### Four SAP partners rewarded for continued success in working with customers

Feltham, UK – September 22, 2010 – SAP UKI recently announced the four winners of the PartnerEdge awards at an awards ceremony held at SAP's UK Headquarters earlier this month. The award-winning SAP PartnerEdge program empowers SAP channel partners to successfully sell, build, and deliver solutions to meet the needs of the expanding SME market. SAP recognises businesses that have excelled in developing their partnership, and have helped to grow their mutual business by providing quality products, solutions and services to customers.

SAP is pleased to announce the four winners of the PartnerEdge awards for H1 2010. Twice a year, SAP celebrates the continued strength of its partners, at a gathering of SAP and partner executives. The ceremony was hosted by SAP's Head of SME Sales, Stephen Read, VP of SAP's Global Indirect Channel, Patricia Hume, and SAP Channel Director, Robert Furnivall. The four PartnerEdge awards were presented to the following partners:

- **Chelford SAP Solutions**, for Top Revenue Performer (SAP Business All-in-One)
- **Northgate**, for Top Revenue Performer (SAP BusinessObjects)
- **Contemporary**, for Year-on-Year Growth (based on the same quarter in the previous year)
- **CACI**, for Volume Partner (Highest number of transactions)

"I think it is important that we acknowledge the tremendous work done by our partners, who have continued to show innovation in working with us to increase revenue, and win new customers; these awards are testament to their efforts in the first half of 2010" said Robert Furnivall, SAP Channel Director, who presented the awards. Congratulations to all of the winners for 2010 so far and we look forward to future SAP PartnerEdge awards," concluded Furnivall.
