

### **itelligence® USA Names Edward Walovitch Vice President of Sales**

**Cincinnati, May 9, 2007** — itelligence Inc. announced today Edward Walovitch has been appointed USA Vice President of Sales. In this position he will oversee national SAP sales in the small-to-medium sized business space.

“As itelligence continues to grow and capitalize on unprecedented SMB market opportunities for SAP, we need the industry experience and leadership Ed provides,” said Steve Niesman, itelligence president and CEO. “We look forward to the very positive impact that Ed will have on our company and our management team.”

Walovitch comes to itelligence with an extensive management background in ERP sales, both at the enterprise and midmarket levels. With more than 25 years of experience, Walovitch has held several senior level sales management positions, including North American VP of Sales for both Baan and IFS, where he built the North American sales organizations from the ground up. His experience also includes Infor’s BPCS products and a Sales Director role with Peoplesoft.

“I am a long-time admirer of itelligence because of the company’s reputation for offering extremely high levels of industry knowledge, client service and customized solutions,” said Walovitch. “I am excited about helping itelligence build on its recognized industry performance and services to deliver the power of SAP to the midmarket.”

Walovitch holds a bachelor’s degree from the University of Illinois (Chicago Circle Campus).
