**itelligence wins SAP® Pinnacle Award 2008 in the category SME**

**Channel Partner: EMEA**

Bielefeld (Germany) – May 26, 2008. itelligence, the internationally successful full-service IT provider, today announced they have been awarded an SAP® Pinnacle Award in the SME Channel Partner: EMEA category. SAP Pinnacle Awards were granted to leading SAP partners that have excelled in enhancing the customer experience, addressing critical issues such as accelerating innovation and improving return on investment. Winners were selected based on nominations received from partners and SAP employees. itelligence received the award during a special awards ceremony held on the eve of SAPPHIRE® Berlin, SAP's international customer conference.

This award underlines the outstanding cooperation between itelligence and SAP in the development and sales of industry solutions for SMEs as well as the successful itelligence AG projects in the midmarket. "I am very happy to receive this award," said Herbert Vogel, CEO of itelligence AG. "Even though I am accepting the Pinnacle Award for the third time in a row at SAPPHIRE on behalf of itelligence and its achievement, it is always a very special feeling to actually hold this SAP 'Oscar' in my hand. We will continue to write this story of success together."

"SAP is committed to extending the customer experience by orchestrating a unique ecosystem to foster co-innovation between SAP, customers and partners," said Zia Yusuf, executive vice president, Global Ecosystem and Partner Group, SAP. "This year's Pinnacle award recipients have demonstrated industry-focused excellence, innovative solutions and reliable services that address high priority business needs and deliver exceptional customer value. We thank itelligence for their dedication and passion to teaming with SAP to help redefine the customer experience."

itelligence, an SAP global hosting partner and global services partner, is presenting its solutions and services for international SMEs and groups at SAPPHIRE 2008 in Berlin in Hall 3.2 at stand ER2.8. One particular focus it will be highlighting is the development of the Asian market. For this reason, the full-service IT provider has maintained an office in Shanghai, China, since March 2008. SAPPHIRE is one of the most important communication events between SAP, its partners and customers.
