

itelligence AG records strong growth in all business areas in the first quarter of 2007

- **Revenues climb 18.4%**
- **At MEUR 2.6, EBIT more than triples**
- **Orders on hand amount to MEUR 118.3 at the end of the quarter**

Bielefeld (Germany), May 3, 2007 – itelligence AG, one of the leading international full-service providers for solutions in the SAP environment, increased its revenues in the first quarter of 2007 by 18.4% (after adjustment for currency translation effects: 21.5%) to MEUR 44.3 (Q1 2006: MEUR 37.4). itelligence thus continues its strong business performance and is upbeat about the current fiscal year thanks to orders on hand of MEUR 118.3 (previous quarter: MEUR 107).

“We were able to record outstanding performance in all business areas which underscores our excellent position on the market,” comments CEO Herbert Vogel. “In view of this and with regard to our growing orders on hand, we expect full-year 2007 to be excellent.”

The Company’s positive performance can be seen in all regions and areas. Revenues rose year-on-year by 23.7% to MEUR 20.9 in Germany (prior-year quarter: MEUR 16.9), by 14.0% in the rest of Europe (after adjustment for currency translation effects: 14.9%) to MEUR 11.4 (prior-year quarter: MEUR 10.0) and by 14.7% in the Americas region (after adjustment for currency translation effects: 25.1%) to MEUR 12.0 (prior-year quarter: MEUR 10.5). In the business areas, Consulting boosted revenues by 25.9% to MEUR 27.7 (prior-year quarter: MEUR 22.0) and Outsourcing & Services raised its revenues by 15.8% to MEUR 13.2 (prior-year quarter: MEUR 11.4). At MEUR 3.3, revenues in the Licenses area were slightly below that of the previous year’s level (prior-year quarter: MEUR 3.6).

The increase in itelligence’s earnings were also excellent. The Company more than tripled its EBIT, from MEUR 0.8 to MEUR 2.6 and substantially raised its EBIT margin from 2.0% to 6.0%.

The net profit for the quarter in accordance with IFRSs climbed to MEUR 1.7, thus up substantially on the figure of MEUR 0.5 in the first quarter of 2006. Earnings per share amount to EUR +0.07 per share, up from EUR +0.02 per share in the previous year.

"The earnings show itelligence's good start to fiscal year 2007," says Jörg Vandreier, CFO of itelligence AG. "Our objective for the year as a whole is to substantially boost both revenues and earnings, while investing more in our staff at the same time."

For 2007, itelligence still expects an organic revenues increase and expects revenues of between MEUR 175 and MEUR 185. The EBIT margin is set to top 5% and EBIT is also due to continue rising significantly.
