ITELLIGENCE IN BUSINESS SOFTWARE, INC. EXPANDS SAP SALES TERRITORY IN THE U.S.

Cincinnati, Ohio, May 26, 2004 – itelligence in Business Software, Inc., a leading SAP reseller for small to mid-market companies, today announced the expansion of their territory in four new states: Minnesota, North Dakota, South Dakota and Nebraska.

Already the largest marketer of SAP software licenses and SAP's top producing SMB partner in the U.S., itelligence is now present in 21 states, covering the Great Plains, Midwestern and Rocky Mountain regions.

“We're excited to bring our SAP-focus and expertise to these new states and further grow the U.S. market,” said Steve Niesman, itelligence in Business Software, Inc. president and CEO.

itelligence distributes SAP's complete product line and offers every client full consultation and support. Additionally, its SAP and industry expertise has enabled itelligence to market, develop and successfully implement mySAP All-in-One industry solutions in small and medium-sized companies in all 50 states.

“itelligence has a long history of providing superb business value to our small and midsize customers,” said Gary Fromer, senior vice president, SMB and Hosting, SAP America. “We are excited to make available the joint value of SAP solutions and itelligence to an expanding base of businesses in the midwest.”

About itelligence

itelligence is the leading global, small to mid-market business full-service SAP provider. We offer a full-scope of SAP services, including SAP consultancy, system integration, licensing, outsourcing, education, help desk support and hosting. itelligence is a wholly owned subsidiary of itelligence AG, a global consulting organization with 1,000 dedicated employees in 15 countries. One of only 12 consulting firms to earn SAP Global Partner status, itelligence has been SAP's worldwide partner since 1993.
