

**Success for itelligence at SAPHIRE® in Paris 2006**

### **itelligence receives the SAP Pinnacle Award from SAP in the EMEA Regional Excellence Category**

Paris, Bielefeld, June 1, 2006 - itelligence AG today announced at SAPHIRE® Paris '06 that it was a recipient of the 2005 SAP Pinnacle Award, in the EMEA Regional Excellence category. SAP presents this award each year in recognition of excellent partner services.

itelligence received the Pinnacle Award at SAPHIRE® in Paris as one of the leading international IT full service providers in the SAP® applications environment for its high level of customer commitment as well as its excellent performance in SAP's worldwide customer satisfaction survey.

Herbert Vogel, Chairman of the Management Board of itelligence AG, commented: "Our investments in SAP application expertise, which is under constant scrutiny, and in our sector solutions have paid off. Thanks to our extensive knowledge of the sector, which we are already incorporating into these solutions, consultants are able to get to grips with specific customer requirements on site. The customers therefore recognize and appreciate itelligence as a reliable and innovative partner which customizes SAP's top-class technology with precision to match their requirements. We are extremely proud to receive the EMEA Regional Excellence Pinnacle Award in recognition of our commitment."

Cooperation between SAP and itelligence began as early as 1989. itelligence is therefore one of the oldest and most highly qualified of SAP's partners and, as such, the company is a Global Partner Hosting, Global Services Partner, mySAP™ Business Suite, Service and Support Alliance Partner for SAP.

Press release- itelligence

Success for itelligence at SAPHIRE in Paris 2006

SAP gives itelligence the SAP Pinnacle Award in the category Regional Excellence EMEA

## itelligence

**As one of the leading international IT full service providers in the SAP environment, itelligence is represented by around 1,000 highly-qualified employees in 15 countries in 4 regions (America, Western Europe, Germany/Austria and Eastern Europe). As a SAP Business, Service and Support Alliance, Global Partner Hosting and Global Services Partner, itelligence implements complex projects in the SAP environment for more than 1,200 customers worldwide. With its extensive range of services – covering SAP strategy consultancy, SAP license distribution, SAP sector solutions developed in-house as well as outsourcing and services – the company generated total sales of EUR 139.1 million in 2005.**
