

SAP industry solutions from itelligence for EUR 211 per user and month

itelligence and Fujitsu Siemens Computers offer cost-effective SAP industry solution bundles

Frankfurt, September 2, 2003 - itelligence AG's and Fujitsu Siemens Computers' special offer for mid-sized manufacturers in various industries will continue to be available until October 31, 2003. The special offer targets, in particular, mechanical and plant engineering companies, automotive suppliers, steel and metal processing companies as well as foundries.

The bundle offered by itelligence and Fujitsu Siemens Computers consists of an itelligence industry solution – either it.automotive supplier, it.cast or it.engine – and a 50-user pack of the mySAP Business Suite. Moreover, Fujitsu Siemens Computers will provide a two-tiered PRIMERGY server landscape as a test and production system including a back-up system in a 19 inch rack. This configuration permits easy extensions and can be smoothly integrated into existing IT landscapes.

The monthly fee of EUR 211 based on a minimum contract period of 48 months includes installation, key user training, implementation, initial consulting by itelligence and the Fujitsu Siemens Computers servers.
