

Another success for itelligence

SAP awards the status of Special Expertise Partner mySAP Supplier Relationship Management to itelligence AG

Frankfurt, October 21, 2003 - SAP Deutschland AG & Co. KG, Walldorf, has made itelligence AG, Bielefeld, a Special Expertise mySAP Supplier Relationship Management (SRM) Partner in recognition of the company's proven expertise in the field of SRM. The international IT service provider has become a much sought-after consulting and implementation partner, in particular, for projects centring on the optimisation of delivery processes and the transparency of the entire procurement process. The company has earned the award among others for its successful SRM projects at Stora Enso Kabel and Nordzucker.

itelligence has now joined the select circle of SAP partners whose technical expertise and proven knowledge meet the criteria to be fulfilled by a Special Expertise Partner mySAP SRM.

Alexander Jung, mySAP SRM Product Manager at itelligence AG: "Our aim is to build and maintain early partnerships with SAP when the company enters new territories. Being awarded the status of Special Expertise Partner mySAP SRM by SAP is yet another recognition of our leading expertise. I am therefore very pleased about this important award, which will make our partnership even closer and more responsive, enabling us to leverage our SRM expertise even more efficiently to the benefit of our customers."
